The 2007 "Godly Golf" Youth Clinic

SATURDAY, DECEMBER 8, 2007

Destination Christian Services, Inc. is hosting an all-day, Christian Golf Clinic for 15 minority youth selected from local churches and from within the surrounding central San Fernando Valley communities.

This unique clinic will not only teach the basics of golf, but will relate them to fundamental biblical principals that the youth can apply to their daily lives.

Youth participants in the clinic will spend the morning learning the game of golf and the specifically related scriptural topics. Then in the afternoon, they will be able to apply their newly learned skills during a 9-hole round of supervised golf with the DCS, Inc. "Kids Can Live" golf instructors and volunteers.

THE 2007 "GODLY GOLF" YOUTH CLINIC IS FREE!
